FALSE WEIGHTS ALLEGED

After Notice Had Been Served on a Burlington Store.

Burlington, Oct. 3.—The first action toward a prosecution for a violation of the laws regarding weights and measures, passed at the last legislature, was begun yesterday when Max L. Bossey of the firm of C. H. Bossey & Son was arraigned before Justice R. W. Taft

in answer to a warrant issued by Grand Juror S. R. Moulton. The case was continued until tomorrow morning and Bossey was allowed to go on his own recognizance. The inspectors of weights and measures have paid various visits to this city and as a result, discovered many scales which were erroneous. These were ordered taken out and a seal attached. It is claimed that the scales in Bossey's store were used after a notice had been served. The maximum penalty in such a case is \$100.
